

THE LEADER IN FIRE PROTECTION

# Lifeco

## Safety Helmets

Model: **LFSH 05Y / LFSH 05R**

Lifeco, a world leader in safety equipment has an extensive range of safety helmets, all manufactured to the highest international standards.

The range includes safety helmets designed for industry and construction through to specialized fire fighting helmets.

In addition the Lifeco range features ear muffs and ear plugs to ensure workers experience a high degree of comfort and safety even in areas with a high degree of noise pollution.

**Fibreglass Helmet**  
Fibreglass outer shell is more resistant to chemicals and more stable at extreme temperatures.

**Thermoplastic Helmet**  
outer shell provides greater impact and penetration resistance.

**Ear Protection**  
fire resistant, heat and dust guard.

**Easy adjustment**  
Large diameter hand wheels for simple operation wearing gloves.
